## Hockey Association Organized B. F. Shantz Is Night Constable Another Old Timer Gone

**Rink Being Built On Alexandra School Grounds To Accommodate the Public.**

All parties in the city who enjoy hockey and skating will be accommodated this season, as at a meeting of those interested held in the city on Friday evening last, the Wetaskiwin Hockey Association was formed, and arrangements were made to erect a rink on the Alexandra school grounds. The meeting was well attended and quite enthusiastic.

The election of officers resulted as follows:

Hon. Pres., Mr. J. F. Fowler  
Pres., Mr. A. C. Crosby  
Sec.-treas., Harry James.

**Court of Revision on Voters' List Nov. 13th. Gas and Mineral Rights Being Procured By City. Council Cannot Alter Assessment.**

The regular meeting of the city council was held on Tuesday evening with all the members present except Ald. E. H. Bannan and C. Ross. Mayor Walker in the chair.

The minutes of last meeting were adopted.

A letter was received from Messrs. Hicknell, Galt, MacDonald & Goods barretts, Lethbridge, requesting the council to pass a resolution regarding place of re-employment of coupons issued under authority of By-laws Nos. 247 and 248. On motion of Wallace Gough, the finance committee was instructed to confer with manager of the Imperial Bank on the matter.

A. G. Gross, sec.-treasurer of the Sacred Heart School District No. 15 notified the Council that there would be two vacancies on that board to be filled at the next ensuing elections. B. F. Shantz, who had been elected, was notified that he had been elected, and was notified that he had been elected.

The report of Chief James for the month of October was received and adopted.

A letter from Geo. B. Campbell to the natural gas and mineral rights for this district was then read stating that he had interviewed the Minister of Interior re the matter and was of the opinion that the area mentioned would be reserved for the city.

Gothard-Bills—That communication be acknowledged and Mr. Geo. B. Campbell be thanked for his services in the matter.

W. H. Odell, solicitor wrote re the Wetaskiwin Wine & Spirit Co., giving it as his opinion that the Council could not now legally alter the assessment. Bill-Dugdon—That the communication be received and filed, and a copy be forwarded to the Wetaskiwin Wine & Spirit Co. Carried.

B. R. Jenkins, plant inspector for the Alberta Government Telephone Department requested permission to trim the trees growing into their lead on McDonald street. Gothard-Bills—That the permission asked for be granted. Carried.

Capt. Hunt of the Salvation Army wrote re rates on Salvation Army property in this city. Dugdon-Wallace—That they be informed that as no application for the position of night constable was then received from the following:

Geo. Frederick Williamson.  
Peter Weiler.  
B. F. Shantz.  
Gustaf Peterson.  
John A. Thompson.  
H. Morris.  
C. Cathcart.  
Arthur Remercor.

Dugdon-Gothard—That B. F. Shantz be appointed night constable for six months at a salary of \$56.00 a month. Carried.

By-law No. 251 appointing E. Roberts returning officer for the ensuing municipal elections was read three times and finally passed.

Meeting then adjourned.

**Louis Huard Passes Away on Saturday. Funeral Monday.**

We are again called upon to chronicle the death of one of the old timers of the Wetaskiwin district, in the person of Louis Huard, who departed this life on Saturday morning last at the hour of 3:30.

Deceased who was in his sixtieth year, had not been enjoying good health for some time, but shortly before his demise his heart gave him considerable trouble, and this is given as the immediate cause. He came to the Wetaskiwin district twenty-one years ago and took up a homestead just north of the city, and has been a resident of this district since that time. Deceased was a native of Quebec. Prior to coming to Alberta, he resided for about ten years in the state of Minnesota.

He leaves to mourn his loss a sorrowing widow, and family of two daughters, namely Mrs. P. Patenaude and Mrs. R. W. Cowan, both of Wetaskiwin, and four sons, Joseph and Louis, who are homesteading in the Buffalo Lake district, and Dumas and Ernest who reside at home.

The funeral took place on Monday forenoon last, service being held in the Roman Catholic church. A large number of the friends and relatives were in attendance to pay their last tribute of respect to the departed. The remains were laid away in the

## Civic Affairs

**Who Will Fill Responsible Positions in City Next Year? Nominations Monday, Dec. 1st, Election, Dec. 8th.**

The time is fast approaching, in fact it is only three weeks from Monday next, when the citizens will be again called upon to fill the various offices of the city council and school boards in this city.

On the council board there will be the Mayor and three aldermen to elect. His Worship, Mayor Walker, states that he positively reserves to consider re-election, and report has it that Ald. E. H. Bannan, are casting covetous eyes on the coveted position. As the latter is a resident of the city he will not be a candidate. Ald. Wallace, Ald. Gothard and Ald. Gross were elected for a two year term, which includes next year.

The terms of office of Messrs. J. F. Fowler and R. W. Manley automatically expire this year as members of the public school board. The other members of the board are Messrs. F. R. Kelly, J. P. Ellis and Dr. Hoare.

There will also be two vacancies on the board of Sacred Heart Separate school to fill, owing to the retirement of Messrs. L. T. Miquelon and A. Gens and we understand Mr. Peter Schmitz, the other members of this board holding office for next year, are Messrs. A. G. Gross and J. W. Heric.

It now remains for the citizens to elect themselves, and this time probably more than ever before, in the matter of the election of capable men to all the responsible positions. The Times would again emphasize the importance of selecting practical business men, who are grappling with great problems in their own respective commercial lines and successfully bringing their business forward by the employment of systematic business methods. The presence of such a class of men upon the council and school boards is greatly needed in times of peace.

It is to be sincerely hoped that the citizens will arise to the importance of the occasion and make a careful and wise choice of persons to fill the various responsible positions. Give the matter your serious and sincere consideration. The future welfare of the city demands it.

Interviews with leading wholesalers state that the collection season has passed successfully and that the policy of the banks in curtailing credit during the year is beginning to be justified. Employment figures in the city state that they expect to make a clean-up in past due accounts and that the farmer is in better shape to meet his liability than for some years past.

Three of Wetaskiwin's nimrods had a very successful two days' shoot last week, bagging no less than 147 ducks, most of which were fine mallards. The party comprised Chas. Tate, Chas. Howell and J. Schroeder, who motored out to Little Lake East. The party, brought their bags to the city, when a photograph was taken and a large number of the photos are being sent to distant friends.

The largest real estate deal ever put through in this city was consummated last week when the south west corner of Pearce and McDonald streets known as the Gould Block, was purchased by the Commercial Realty Company, Limited, of Calgary. This property has a frontage of 150 feet on Pearce street, and it is understood that the price paid was \$40,000. It is the intention of the new owners to re-model the entire block, and it is also announced that a branch of the Commercial Realty Company, Limited, will be established here in the very near future.

A very pleasant event occurred on Saturday last, Nov. 1st, in Edmonton, when two of Wetaskiwin's popular young people were united in holy matrimony. The contracting parties were Miss Mamie Carr and Mr. W. J. Botcher, of the Wetaskiwin Tent & Mattress Co. The ceremony was performed in the McDougall Methodist church parsonage, Rev. Armstrong. The bride who was attired in a blue serge travelling suit, looked very charming. The affair was very quiet, and the bride and groom were dispensed with. The happy couple returned to the city Saturday evening's train, and are now receiving the warmest congratulations of their host of friends for a long happy and prosperous journey through life.

## PIMPLES Are an "EYE SORE."

Pimples are caused by the blood being out of order. These little festering sores appear on the forehead, on the nose, on the chin and other parts of the body, and although they are not a dangerous trouble they are very unsightly to both you and your friends.

There is only one way to get rid of them, and that is to purify the blood. Burdock Blood Bitters is without a doubt the best remedy on the market for this purpose.

Wm. F. Donohue, Jr., Hamilton, Ont., writes:—"About six months ago my little son's face was literally covered with pimples. I tried every preparation I was told of by my friends, but to no avail. Soon I thought I could not have them faced up, and would have to wait, and let him grow out of them, but thanks to Burdock Blood Bitters they are all gone, and I gladly recommend it to anyone."

## The Churches

### KNOX CHURCH

Mr. A. G. McPhedran, B.A., M.D., C.M., who has been a missionary in India for six years, will conduct the services in Knox church on Sunday next, November 9th.

The social evening held in Knox church on Wednesday evening of this week was much enjoyed. The congregation appreciated the action of the Willing Workers in making the arrangements, which afforded the people an opportunity of getting better acquainted, as well as having a jolly time.

### LIBERAL BANQUET

Chas. H. Olin, M.P.P. for this constituency, entertained Dr. Michael Clark M.P., Mr. J. M. Douglas, M.P., and a number of the prominent Liberals of the city at an informal banquet held in the commodious dining room of the Strand Hotel at 6:30 on Friday evening last. The evening, which was done in Mr. Smith's best style, left nothing wanting. The menu was as follows:

Martini Cocktail  
Celery Branch  
Oxtail Soup  
Boiled B. C. Salmon, Butter Sauce  
Oyster Patties a la Toulousine  
Roast Corn-fed Turkey, fresh  
Game Chops Cranberry Sauce  
Prime Rib of Beef au Jus  
Corn on Cob Steamed Potatoes  
Sliced Tomatoes, French Dressing  
Pine Apple Compot  
Green Apple Pie, Whipped Cream  
McLaren's Cheese

Tea  
Owing to the hurry to attend the big rally, which was announced for eight o'clock, the usual formal speeches were dispensed with. The banquet was an entirely successful affair.

### NEW SWEDEN

### BATTLE LAKE

Mr. Hansen, who has been visiting Mr. J. M. Nelson, returned to his home in S. Dakota last week.

Miss Madge Bunney, who spent Thanksgiving week at her home, returned to Wetaskiwin last Saturday.

Last Sunday a committee was appointed to arrange for Christmas exercises for the Sunday School.

There is a slight south-west of the lake. Mr. Sibbald came to the store the other day in a sleigh, and reports four inches of snow there.

Mr. Frank Sheppard of Wetaskiwin is spending the first few days of the hunting season with Mr. Frank Kadel.

Mr. M. O. Nelson visited the Cross Valley school last week.

The little boys have had several days good skating on the south end of the lake.

Mr. R. Lewis got a good bag of ducks Saturday.

Mr. Van Valkenberg fire ranger, at Buck Lake passed through here on his way to Wetaskiwin last week.

Mr. Fullerton with his gang of men, spent three days of last week working on the road at the swamp east of the post office.

### FIFTY MUNICIPALITIES IN ONTARIO WILL TAKE THE LOCAL OPTION VOTE

Fifty municipalities of Ontario will wage war on the liquor traffic and the bar-rooms on January 5th, the voting day.

Of these places, one is a city, 13 are towns, 14 are incorporated villages, and the remainder are townships and these are said to be the hardest sections in the province. Eleven have not heretofore voted upon the jury.

In the fifty municipalities there are eighty-eight licenses and the temperance people entertain high hopes of at least wiping out half this number.

### WOMAN GOES INSANE ON HOME-STRAD

Another case of a woman with two small children dependent on her for support going insane on a lonely homestead has come to the attention of the mounted police and the Children's Aid society. The woman, who is a widow, struggled on the isolated farm to make a living for herself and her children, and though she worked in the fields, the only marriage to her was a miserable existence. Her increasing poverty and her worry over the children was more than her mind could stand, and she finally gave way under the strain and went out of her mind.

The mounted police were notified of the woman's condition, and placed her under arrest at her home, which is several miles from Stettler. She was taken to the Calgary barracks, and will be committed to the insane asylum at Poncha as a ward of the government. Her arrest was simply the formal step necessary to secure her admittance to the asylum after examination by a physician.

## FOR HEART AND NERVES

### Were So Bad She Could Not Sleep.

To those who sleep in a land of a way, but whose rest is broken into by fearful dreams, nightmares, sinking and smothering sensations, who wake in the morning as tired as when they went to bed, we can recommend Milburn's Heart and Nerve Pills. By taking them you can have your old, peaceful, undisturbed, refreshing sleep back again.

Mrs. Clara Yee, Horneston, Ont., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills did for me. My heart and nerves were so bad I could not sleep, and the least noise or excitement would make me feel so that I used to think I was going to die, and I would tremble until I could hardly stand. I took doctor's medicine, but it did not do me much good. At last I tried Milburn's Heart and Nerve Pills, and I can certainly say they did me a great amount of good. I can recommend them to anyone who is suffering as I was."

Milburn's Heart and Nerve Pills are 50c. per box, 3 boxes for \$1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### SONG OF THE BACCHANALS

Hustle him, hustle him out in the street,  
Only a weakling can ne'er keep feet;  
If he can't drink at the bar like a man  
Let him make way for the others that can.

Peeky dearest,  
Give him a fop,  
Out in the street,  
Then call the cop.

If he can't take his or leave it alone,  
Let the State have him and call him her own.

Truce and bluecoat just stand near the door.  
From the boots of the crowd here  
There'll soon be some more,  
Open the doors wide and let in the men.

Or they might step in a bootlegger's den;  
Kindly old State  
Treat us to booze,  
Hands round the plate,  
And jalls the refuse;

Fill up your glasses and drink to the State,  
And let all the weaklings go down to their fate.  
"Clink it and drink it," the barkeeper calls,  
"To State and to Bacchus, my bold Bacchanal!"  
A dollar for us and a dime for the State.  
By the gods of the Anheuser-Busch, it is great!

Careful old state,  
Hears out the sign,  
Hands round the plate,  
Calm and benign.

All legal and lawful administrators hie and measures of city lots two feet by six.

## PROVINCIAL NEWS

The provincial rugby championship of Alberta changed hands at Red Deer on Saturday afternoon, when the Edmonton Eskimos defeated the Calgary Tigers by a score of 10 to 7. This is the first time in recent history of the Alberta Rugby Union that an Edmonton team has been successful in winning the provincial honors and the proud title of "champions". The Eskimos are easily the best aggregation of rugby players which has ever represented this city on the gridiron, and they deserve their victory over the Tigers, who have held the honors for so long. Coach White and Whinnema have worked indefatigably to turn out a championship team and after several years of trying their efforts have finally been crowned with success.—Bulletin

Edmonton, Alta., Nov. 1.—Edmonton is to be the distributing centre for all post office supplies needed by the people of Alberta. G. Elbourne, of the postal department Ottawa, is in the city, inaugurating this new department. Hitherto it was necessary to send to Ottawa direct for all supplies for the various post offices scattered throughout the province. Mr. Elbourne estimates that it will take about six weeks before the new system will be in operation. He is visiting all the capital cities of the western provinces and before he returns to Ottawa will have established similar systems at each.

Edmonton, Nov. 2.—Oscar Fomberg the homesteader who killed Corporal Bailey at Grassy Lake last March and gave the R.N.W.M.P. several days of excitement before he was captured, was found guilty on Saturday and sentenced to life imprisonment at Edmonton penitentiary. Mr. Justice Simons was the trier of the case and he was brought in after ten minutes deliberation.

A curfew meeting was held Monday at the office of H. B. McNeils. The following officers were chosen for the coming year: largest commercial quantities, the statement, to The Alberta R. C. A geological surveyor is at Calgary to investigate the oil proposition at Okotoks. He will report on the possibilities of the Alberta oil fields being able to supply the British navy with oil fuel.

## ALBERTA BARLEY FOR OLD COUNTRY

In order to encourage the farmers in southern Alberta to raise more barley, a direct market has been opened for this kind of grain with London, England, according to a statement made yesterday by B. Whyte, of the Alberta publicity and information bureau in Winnipeg. Mr. Whyte said that he had received word from W.D. Finlay of Lethbridge, that he had established a direct market and expected to ship two carloads of barley to England this week and that he had orders ahead for 12 more carloads. Mr. Whyte stated that the farmers in this district had not gone in for raising barley on a large scale, as they had a 25 cent duty to contend with previously in order to reach direct markets where there was a demand for this standard of grain. He went on to say that there was a demand in England for good barley, enormous quantities being used for brewing purposes. Mr. Whyte said that the farmers had in the past been growing much more rye than barley but that he expected they would henceforth give more attention to the latter, and that they would soon be shipping large quantities to Europe.

## BIG OIL DEPOSITS IN THIS PROVINCE

That there is plenty of oil in the province of Alberta, but that it is impossible to say till thorough practical tests have been made, is what part of the territory it contains is the statement, to The Alberta R. ## Liberals Hold Big Meeting

Dr. Michael Clark, M. P., and J. M. Douglas, M. P.,  
Delivered Addresses on the Leading Questions of the day.

A large crowd assembled in Angus Theatre on Friday evening last to hear Dr. Michael Clark, M.P. for Red Deer and J. M. Douglas, M.P. for this constituency. Several auto parties came down from Leduc for the occasion, and a large number of ladies graced the audience. Owing to the unavoidable absence of Dr. Robertson, president of the local Liberal Association, the Vice President, Mr. A.G. Gross, occupied the chair.

Mr. Douglas, who was the first speaker, complimented Dr. Clark for the good work he was doing for Liberalism in Canada, particularly in his advocacy of free trade and the educational work he is doing along those lines. The speaker then referred to the navy question, and reviewed it at length. He showed where both political parties were united on this question in 1909, when both the Liberals and Conservatives were agreed upon a policy of protection for Canada and the Mother country as well. Premier Borden violated that arrangement when he introduced another policy along other lines and this was the cause of the dissension in the House.

The next question discussed by Mr. Douglas was the Highway Bill, introduced into the house by the minister of railways and canals. This measure appeared to be alright, and the speaker and it received the support of the Liberals, until the government put a rider on the bill, providing that monies should not be spent according to population, but that the minister had absolute control over the expenditure. He next gave an account of the money he had given to Alberta under the law, and it might as well as for bribery purposes directed at election. The opposition introduced an amendment to the effect that the money should be spent among all provinces according to population, but this the government voted down. The speaker then referred to the bill as presented, and said it back to the house, and that the money would be spent on a pro rata basis, but this the government refused to accept. If the government was fair, they could not object to the amendment.

He then referred briefly to the promises made by Premier Borden in the matter of natural resources for Alberta and Saskatchewan. Although these promises were made over two years ago, no effort has been made as yet to have the promises fulfilled. Mr. Borden was not sincere when he made these promises, and he has no intention of carrying them out.

"I am a firm believer in the taxes of the country being reduced just as low as the revenue of the country will permit," said Mr. Douglas. Every man paying very large taxes on everything he buys—food, implements, etc. The cost of living has risen rapidly during the last twelve years. In 1911, Mr. Wilfrid Laurier introduced a policy of reciprocity, but it was fought by the manufacturing interest and it was defeated by the country. He wanted to see the British preference increased 50 p.c. and reductions made in every line possible. The country will go ahead just as fast. The Liberal

party is now a more low tariff or free trade party than ever before. In Alberta we have everything to make the country prosperous, but the backbone—the farmers—were not deriving the general benefit of this prosperity. The prices they were receiving for their products were too low. If Alberta had free access to the market on the south, the Liberals thought they were right when they introduced the reciprocity policy, and this belief has been confirmed by the passing of the Wilcox tariff bill. When the Liberals are returned to power, as they will be, they will reduce the tariff and ease the cost of living cheaper.

In conclusion, Mr. Douglas referred to the need of the redistribution bill. Owing to the rapid growth of the country he was now representing three or four times as many electors as many of the sitting members for Ontario constituencies.

When Dr. Clark arose to speak, he was greeted with the loudest applause, and during his two hours address there was not a dull moment. He first referred to the high esteem in which he held Mr. Clark, M.P., who, he held throughout the province, and to the effective work he accomplished at the last campaign in the riding of Red Deer.

The doctor continued his remarks to the tariff on which he is a recognized authority, and to the navy policy, with a few side glances into the methods used in the bye-elections in Cumbria and North Bruce.

He then went into the navy question at length and quoted extracts from speeches of Mr. Borden, Mr. Dorman, and others, to prove that the attitude taken on this great question two years ago by both the Liberals and Conservatives was identical. Last session Premier Borden introduced an amendment to the effect that the money should be spent in the construction of battle ships. The Liberals contended that if battle ships were to be built, they should be built right here in Canada by Canadians, and the money expended in Canada for material, etc., in so far as possible. Last session several months were taken up in discussing the question, and finally the government introduced the closure bill, and forced their navy policy through the house. "But South Bruce was not closed yesterday, nor will the country be closed when they get another chance to vote on the question." The senator did not kill the bill, but they believed that before \$35,000,000 should be sent out of the country to England, the people of Canada should be given a chance to say something about it. Can the senate be blamed for taking that attitude?

He could not see the force of the emergency cry, as England had three ships and three men to every one in Germany. The recent royal wedding between the German prince and princess, the justification of the Liberal party in opposition under haste, as now the two nations were united and on the most friendly terms.

The doctor then took up the tariff and pointed out clearly where Canada would be much better off if she had free trade with Great Britain. In buying woolen goods, the dealer must buy thirty shillings and one third dollar worth of tariff with every \$100 worth of goods he purchases. The consumer must therefore pay one-third more or his woolens on that account. He would ask any Conservative, if the country was better off now since it was won by a low tariff government, to a high tariff government at the election.

President Wilson, who is the best president the United States has had since Abraham Lincoln, has passed a partial reciprocity bill, which admits Canadian wheat and cattle. It is now up to Premier Borden to amend the tariff to admit fruits from the U.S. free of duty, and in that way assist in reducing the cost of living. Will he do it?

The doctor declared himself to be an out-and-out free trader with Great Britain. He said his audience were all free traders at heart. If we import from Great Britain, we must export and that would mean development, progress and prosperity.

The cost of living in Canada has increased 50 p.c. during the past twelve years, as compared with only 12 p.c.

In Great Britain. There are only two persons per square mile in Alberta as compared with 400 or 500 in Great Britain. Why should the cost of living be any higher here where nearly everything is growing than it is in Britain? The doctor claimed the high tariff was the cause.

The question would naturally arise where would the money come from to run the country. The speaker said he would save twelve millions in the militia, he would not permit large appropriations to be made for the running of special trains, such as the C.P. Sam Hughes had last summer. He would tax millionaires, and there would be any other ways by which the money could be raised.

After thanking the audience for the hearty reception accorded him, he concluded his two hours address amidst the greatest applause.

Chas. H. Olin, M.P., in a few words made a hearty vote of thanks to the speaker for their interesting addresses, and the meeting was brought to a close with three cheers for Dr. Clark and Mr. Douglas.

## WETASKIWIN WINE BASKET BALL GAME

The Basketball team of the Bawlf public school came into the city on Saturday morning last for a friendly game with the strong team from the Wetskiwin schools. The game was played on the agricultural grounds, and was witnessed by only a few people. The home team soon demonstrated their superiority over the visitors, and won the game with the score of 24 to 6. Mr. Colter, principal of Bawlf school, refereed the game.

The teams were composed of the following players:

Bawlf—Forwards, Olegan Fraser and Helen Fowler; guards, I. A. Wetters and Alice Spary; centres, Sigurd Lomness, Ethel Behrens and Ruth Fowler.

Wetskiwin—Forwards, Jean Hamsey and Annie Harbison; guards, Graeme Harney and Beulah Robinson; centres, May Rostrom, Lemmie Thomas and Thillie Tofo.

## LACOMBE ENTERPRISES BACKED BY LOCAL CAPITAL

Lacombe, Alta.—No more long hauls for Lacombe farmers carrying their crops to the nearest railway outlets would seem to be the expectation about to be realised according to plans of the Lacombe and Hinton Valley Electric company. With eight miles of grade now finished and contracts for ties and rails being closed, the outlook has now brightened decidedly for the completion of the new line in ample time for the movement of the winter's crop. The road is to be built on a standard gauge, with steel sufficiently heavy for loads locomotives. The total length of the new line will be something like 30 miles, the route passing through a rich agricultural district where many farmers are now ready to avail themselves of improved transportation facilities at the earliest moment. A gasoline electric system is to be installed, and the bonds of the new line are guaranteed by the government to the extent of \$7,000 per mile.

## Administrator's Sale

There will be sold by public auction by George L. Owen Auctioneer, at his Auction Rooms in the City of Wetskiwin, at the hour of 2:30 o'clock in the afternoon on Saturday the 8th day of November 1913, the South East Quarter of Section 2, in Township 46, in Range 25, West of the 4th Meridian, containing 160 acres more or less, of which about 100 acres are good arable land and about 60 acres cultivated. The said lands also contain about 60 acres of hay land. There is a frame dwelling house on the land, also barn and granary all in good condition. The water on said lands is supplied from wells.

The lands are situated about 4 miles from Brightview Post Office, about 2 miles from a school, and about 16 miles from Wetskiwin.

The property will be offered for sale subject to a reserved bid.

This Purchaser is to pay one third of the purchase price to the Vendor, its Solicitor at the time of the sale and the balance may be paid in equal payments in one, two and three years, with interest at 8 per cent per annum.

Further particulars can be had from E. H. Hines, Wetskiwin, Alberta, Solicitor for the Vendor, or from the Auctioneer.

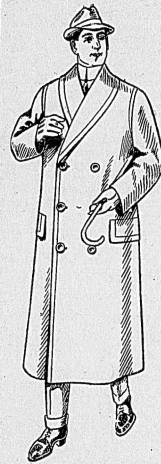

DATED at Wetskiwin, this 10th day of October, 1913.

ERNEST D. H. WILKINS,  
O-Att. of Wetskiwin, Alberta  
Solicitor for the Administrator.
